The Office Of The Superintendent

MR. JOHN McCARTHY
Superintendent of Schools

It is with a great deal of pleasure that I extend best wishes for success and happiness to the class of 1984. Your education during the past twelve years provides you with the basis for selecting a career and pursuing goals that will lead to your fulfillment as a human being. Graduation is not an end, it is a beginning, as indicated by the use of the word "Commencement" to describe the ceremony. As you select and proceed to move forward in your chosen field, you will appreciate the benefits of the education provided to you by your community. Your challenge is to build on this foundation and develop your abilities to the utmost. Add the spices of good fortune, perseverance, and hard work to the basic ingredients, and the result will be the formula for success.

John E. McCarthy
SUPERINTENDENT OF SCHOOLS

MR. PAUL MONAHAN
MANAGER OF INSTRUCTIONAL SERVICES

FOR THE CLASS OF '84

As you blend with the thousands of graduating seniors in high schools across the country, may the many positive aspects of your formative education shine forth and stand you in good stead as a member of our complex society. To each of you I extend best wishes in your next endeavor.

MR. MELLO
BUSINESS MANAGER

OUR FRIENDS IN CENTRAL OFFICE

SCHOOL ADMINISTRATION

DEAR GRADUATES:

On June 3, 1984 you will participate in Graduation Exercises at Joseph Case High School. Many of you may feel that graduation is an end in itself. However, graduation, far from being an end, is the beginning of all your tomorrows. Over the past several years you have worked and studied, practiced and played, and grown—grown mentally as well as physically—and now you are here ready to begin your lives as members of the adult community.

We as educators, and you, as students, have each done our part over the past several years. As you say farewell to us you say hello to tomorrow. Grab hold of that tomorrow, and using what you have learned in the past build it into a bright and shining future. It is the hope and prayer of the staff and faculty of Joseph Case High School that your pathway may be straight and true and that your destination may be golden with happiness and alive with vibrant promise.

The best of luck and congratulations to the Class of 1984.

DAVID JARDIN
PRINCIPAL

TO THE MEMBERS OF THE CLASS OF 1984:

Shortly you will be put to the supreme test of entering the world of adulthood and choosing a professional career. For the past four years we have dedicated ourselves to prepare you for this new and challenging journey.

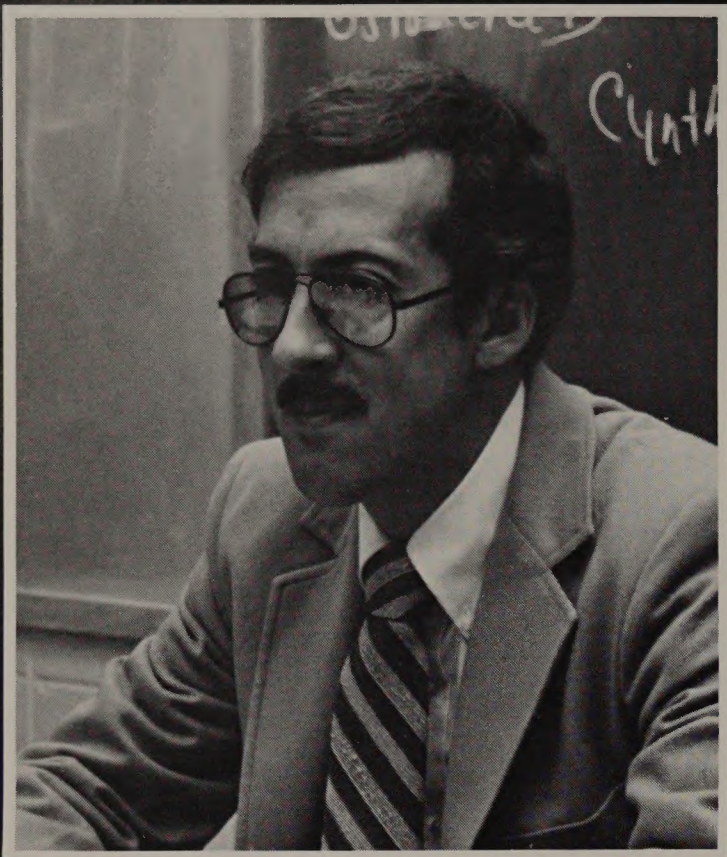

We pray that you will dedicate yourself to utilizing these experiences and to pursue your desires in a responsible and caring manner. The past has given many fond memories. I hope the future will do the same.
